## From vision to focus to action.

2010 was a year marked by action and progress in fulfilling United Way's mission to unite our community to give, advocate and volunteer to positively impact community conditions and improve lives.

With clarity of focus, United Way identified its core purpose to:

- Research and assess community conditions and needs
- Develop strategies and target resources to meet those needs
- Deliver results by monitoring progress and creating changes that improve the condition of the community for all who live and work here.

In this report to the community, we recognize the work and commitment of thousands of people who have joined the LIVE UNITED movement to advance the common good. Together, we are addressing the root causes of complex issues that threaten individual and community health and well-being, such as poverty, barriers to learning, homelessness, hunger, families in crisis, barriers to earning a living wage, substance abuse, domestic violence, sexual assault and access to health care.

Thank you to our many partners -- health and human services agencies, donors, individuals, businesses, associations, labor groups, governments, hospitals and health care organizations, early education, K-12 and higher education, student organizations, community leaders, faith-based groups, service clubs, foundations and the dedicated volunteers of Johnson County. YOU are the United Way. Together, united, we are building a stronger, safer and healthier community.

# Announcing Bold Goals For the Common Good

For many people in Johnson County, the basic ingredients for a good quality of life are increasingly beyond reach. Six percent of all families are living in poverty and 40% of all households do not earn enough to support their basic living expenses. There are significant preparation gaps for children and youth to succeed in school and be ready for work and life. And health behaviors and limitations to accessing health care continue to create risk for serious health conditions such as diabetes, high blood pressure, heart disease, stroke and cancer.

Our community cannot accept these conditions, and we must work together across sectors to change them. We need to challenge ourselves and our systems to create opportunities for a better life for everyone. With the assumption that what gets measured gets done, the United Way of Johnson County has led a community effort to:

- Identify and prioritize key issues
- Conduct a community assessment
- Review and analyze data
- Identify systemic root causes
- Draft one, ten year community-wide goal in the areas of Education, Income and Health
- Identify metrics, baselines and targets for each goal

The efforts and expertise of hundreds of people have created a 2020 vision to move the needle in a positive direction on community conditions and measurably improve lives. This work requires collaboration across all sectors — large and small businesses, elected officials and government organizations, nonprofits, academia, the faith community, media, parents and neighbors. Working together we can accomplish things that no organization, no individual, no government, no single sector can accomplish on its own. The stakes are high and the goals are ambitious. With this challenge to our community, United Way of Johnson County has committed ongoing support to convene and engage our community in strategies to achieve these goals and to evaluate progress.

As 2020 Vision Co-Chairs, we are grateful to all who have and will contribute to developing and achieving the Goals for the Common Good.

Sincerely,

# 2010 YEAR IN REVIEW

## 2010 Community Assessment

Over 120 indicators collected and analyzed to establish baseline community conditions.

Among the findings :

- In less than a decade, families living in poverty increased nearly 27% from 5.2% to 6.6%.
- Children living in poverty increased by 40% in Johnson County (compared to a 28% increase in Iowa and 10% increase in U.S.).
- Female headed households living in poverty nearly doubled to a rate that this level now exceeds the national and state rates; 30.2% of families living in poverty are headed by a single mother.
- Seniors living in poverty increased by 63% in Johnson County (compared to a 5% increase in Iowa and 1% decrease in U.S.).
- For three out of four family types studied, the gap between our community's median income (\$15.18/hr or \$31,574/yr) and meeting basic living expenses is \$3-\$6/hr or \$6,240-\$12,480/yr.

Ronald Reed, President and CEO for Mercy Iowa City, leads the 2020 Health Commission in reviewing data and establishing a 2020 Health goal.

## Volunteer Center of Johnson County

- Hired Volunteer Center Coordinator
- 26,495 hours of service logged through Volunteer Center website.
- 590 Volunteer Opportunities listed on website
- 2,899 Volunteers referred to Volunteer Opportunities through website

## Disaster Community Impact Program

In May 2010, United Way of Johnson County received a \$110,000 grant from the Community Foundation of Johnson County for the Disaster Community Impact Program. Among the accomplishments of 2010:

- The Johnson County Long Term Recovery Committee, through a contract with the Crisis Center of Johnson County, completed case management for 1,095 affected people affected by the 2008 flood:
  - Total number of low-to-moderate income clients assisted: 935
  - Total number of non-low-to-moderate income clients assisted: 160
- Developed a coalition of Community Organizations Active in Disaster (COAD) to create a comprehensive corps of agencies and organizations committed to strengthening the community's disaster preparedness, response, and recovery efforts by working to support the operations of Johnson County Emergency Management Agency, and bring together disaster related resources to better meet the needs of survivors of disaster and to improve service, maximize resources and eliminate unnecessary duplication
- Conducted four half-day training sessions for the Emergency Volunteer Center (EVC) and an EVC disaster simulation training to prepare volunteers to supervise, train and assign volunteers in times of disaster
- Represented the Johnson County COAD on the Iowa Human Resources Disaster Council

## Healthy Kids: School-Based Health Clinics

---

Healthy Kids is a collaborative initiative of the Iowa City Community School District, Mercy Iowa City, University of Iowa Health Care, UI College of Dentistry, UI College of Nursing, Free Medical Clinic, Visiting Nurse Association, Johnson County Department of Public Health, United Way of Johnson County and Community Foundation of Johnson County.

During the 2009-10 school year, Healthy Kids provided health care to 271 kids with nearly 500 visits, and additionally provided oral health care in over 150 dental visits through the UI College of Dentistry and I-Smiles Dental Program.

---

## United Ways of Iowa

---

United Way of Johnson County is a member of the statewide network of local United Ways. Christine Scheetz currently serves as chair of the United Ways of Iowa Advisory Council.

In 2010, UWI focused on:

- The expansion of community impact work and shared data.
- Public policy around issues of education, financial stability and health.
- Development of the Iowa Nonprofit Collaborative.
- Training and education to improve resource development and increase revenue to support nonprofits.

---

## United Way 2-1-1

---

- Eight 2-1-1 Centers serve all 99 counties in Iowa and answered over 140,000 calls in 2010.
- Last year, 2-1-1 provided information and referral services for 6,193 calls from Johnson County.

---

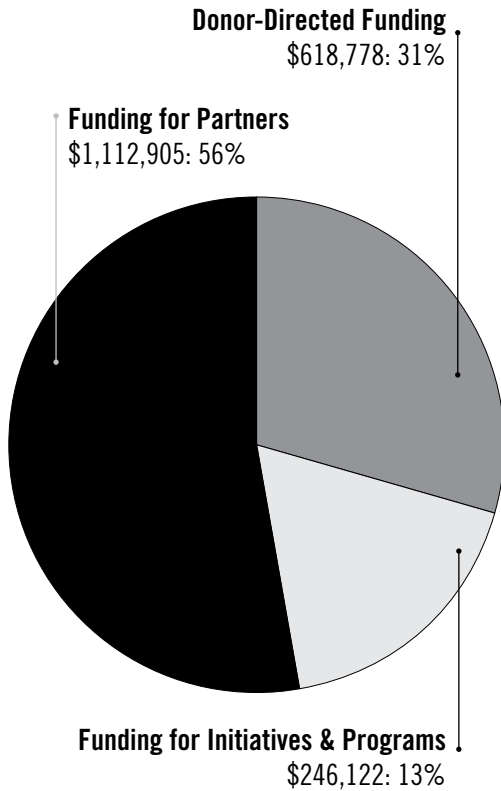

## UI Student Engagement

---

The 10,000 Hours Show (10K) is a partnership between The University of Iowa and the United Way of Johnson County to advise and support UI students and develop the next generation of active community leaders. 10K mobilizes young people to meet immediate community needs and to recognize these volunteer contributions. In its 7th year, 10K volunteers contributed 13,266 hours of service to our community.

## 2010 WOMEN'S LEADERSHIP CIRCLE

The United Way of Johnson County Women's Leadership Circle was founded in 1999 by Jo Lavera Jones, Vicki Lensing and Dottie Ray. The goal was to recognize and celebrate the power of women's philanthropy. Over the last decade, the Women's Leadership Circle has raised more than \$3.13M to address human care needs in our community.

On April 6, 2010, the 5th Women's Leadership Circle "Power of the Purse" wine tasting and purse auction was held at Brown Deer Golf Club. The Power of the Purse refers to the constitutional power given to Congress to raise and spend money for the public good, and to the economic power of women, who control nearly 80% of household spending.

**"The 2010 Power of the Purse allowed women leaders in the Corridor an opportunity to volunteer their time, donate items, network, and brought together such an amazing group of women for a wonderful cause and a genuinely fun evening."**

**Liz Herman, Power of the Purse Committee member**

Members of the Women's Leadership Circle make an annual gift of at least \$1000 or a gift of \$500 combined with a commitment of at least 25 hours of volunteer service.

The recognition given to those listed in this honor roll is one small way to thank our volunteers and contributors. Every effort has been made to make this report accurate. If your name has been misspelled, omitted, or misplaced, we sincerely apologize. Please contact the United Way of Johnson County office with corrections or any questions you might have. Thank you for your continued support.

# UNITED WAY OF JOHNSON COUNTY PARTNERSHIP WITH THE COMMUNITY FOUNDATION OF JOHNSON COUNTY

Many people give gifts that benefit both the United Way of Johnson County and the Community Foundation of Johnson County. There are three funds held at the Community Foundation that United Way is affiliated with:

**UNITED WAY ENDOWMENT FUND** — to build for the sustainable future of operations and community impact activities.

**UNITED WAY ENTREPRENEURIAL FUND** — established by Casey Cook to build the pool of grant funds for innovative approaches to solving community priorities and addressing emerging issues.

**UNITED WAY HEALTHY KIDS ENDOWMENT FUND** — to generate sustainable funding for school-based health clinics.

Established by Mercy Iowa City, with a \$500,000 commitment over 5 years and a challenge to the community to meet their annual contribution of \$100,000. ACT, Inc., also made a \$25,000 per year commitment for 5 years for a total of \$125,000. United Way currently provides a \$35,000 allocation for the Healthy Kids clinics, and partners with the Community Foundation to raise funds for the endowment. Last year, under the leadership of Pete Wallace and Colleen Davis, the Community Foundation established a walk "Get Moving for Healthy Kids" to build support for the endowment and promote healthy behaviors.

Donors to each of these funds help United Way plan for the future, and are eligible for the Endow Iowa tax credits that are available through the Community Foundation of Johnson County. Thank you to the following donors who have made contributions to a United Way of Johnson County endowment fund during the 2010 campaign, as of December 31, 2010.

# ADVOCATE

---

Advocacy and public policy work are important strategies in achieving community impact to improve lives in our community. As a leader and strategic partner, United Way of Johnson County engages decision-makers and policy leaders at the local, state and national levels to help address our most important community needs. When we work together across all sectors, our community is made stronger through collective wisdom, passions and energies. In 2010, United Way of Johnson County advocated:

- on statewide effort to increase annual federal investment in Iowa's food assistance program by \$17.9 million. This work expanded the food assistance policy so that 26,000 more Iowans can access food
- on statewide effort to leverage up to \$10 million in TANF (Temporary Assistance for Needy Families) federal dollars to help Iowa continue to pay for work supports like child care assistance and to expand training and development opportunities for unemployed Iowans
- for continued financial supports to early child care and education
- on the federal level for Sen. Grassley's sponsorship for the Calling for 2-1-1 Act
- on the state and federal level to support on community's continued efforts in recovery from the 2008 flood

Congressman Dave Loebsack and United Way VP for Community Impact and Engagement Patti Fields celebrate community at the 2010 FryFest.
