

United Way brings people together to build equitable communities where everyone can get a quality education, good job, and live a healthy life.

WHAT DOES UNITED WAY DO?

FOLLOW ERIC & HIS FAMILY

EDUCATION

Success in life begins with a quality education. And yet, millions of children and youth lack the support they need to strengthen their literacy, stay on track in school, graduate high school and find a career.

United Way works to provide all children with the tools to learn.

HEALTH

When it comes to accessing health services, a person's zip code should never be a deterrent to success, nor should it be a barrier to improved health. Yet for many, that's a daily reality.

United Way makes it easier to access quality health care & nutritious foods.

FINANCIAL STABILITY

Chronic unemployment. Financial illiteracy. Homelessness. In our communities individuals and families are facing financial obstacles that prevent a good quality of life.

United Way fights to put every person on a path to financial empowerment.
