ENDOW YOUR ANNUAL GIFT: Our Legacy Circle is a movement of community leaders committed to our community Now and Forever. To “endow” your annual United Way contribution, you can make a donation of 20 times your annual gift. The principal of the gift will be held in an Endowment Fund at the Community Foundation of Johnson County. The income generated each year from this gift will perpetuate your annual contribution.

“We want everyone to have the opportunity for a happy and productive life here in this place we call home. United Way was a good fit not only because its mission aligns with this goal, but also because it has a 100-year track record.”
