

# UNITED WAY VOLUNTEER CENTER

**FOR INDIVIDUALS & GROUPS**

## **REFERRAL SERVICE**

We can assist you in finding the right volunteer opportunity! Whether you want to find a volunteer opportunity for yourself, your family or one to fulfill court-mandated community service hours, we're here to help.

## **GROUP VOLUNTEERING**

The Volunteer Center compiles a list of one-time volunteer opportunities open to groups. There are both date-specific events as well as flexible projects that can be scheduled in coordination with the agency. Contact us to connect to activities for your group.

## **YOUTH VOLUNTEERING**

The Volunteer Center works with parents, teachers, nonprofits and students to connect youth to meaningful community service experiences.

## **SKILL-BASED VOLUNTEERING**

We can connect skilled volunteers with non-profits in need of expertise and pro bono services. Areas of need include advertising, graphic design, finances, grant writing, event planning, admin, etc.

## FOR EMPLOYERS

### **EMPLOYEE VOLUNTEER PROGRAM CONSULTATIONS**

Employee volunteer programs vary across businesses. The Volunteer Center can help tailor a program that meets your company's business goals, your employee's interests and our community's needs.

### **WORKPLACE VOLUNTEER COUNCIL (WVC)**

The WVC is a coalition of businesses that promote volunteerism among their employees to benefit our community. The WVC provides networking opportunities, sharing of best practices, professional development, and joint strategic initiatives designed to meet community needs.

### **DAYS OF CARING**

We can organize a Day of Caring for your company! Teams of volunteers are matched to service projects in the community or can be organized to be on-site at your company.
