WHAT DOES UNITED WAY DO?

COMMUNITY NEEDS AND THE UNITED WAY IMPACT

COMMUNITY NEED PHYSICAL, MENTAL AND EMOTIONAL WELL-BEING AND SAFETY

Many local residents struggle to access essential health care. Over 1 in 5 Johnson County residents lack a primary care provider, and 17% haven't seen a dentist in more than two years, often due to cost. Meanwhile, many are food insecure, and pantry usage is at record highs. Serious mental illness is a leading contributor to homelessness and emergency system use.

United Way's Health and Safety initiatives, along with our investments in a variety of community partners, are committed to making a positive impact on the emotional and physical well-being of the whole person.

EVENTS AND INCENTIVES

Campaign-focused events and incentives can be the keys to generating enthusiasm and interest among employees. Here are some fun ways to bring people together to increase participation and dollars raised.

Event Suggestions and Ideas:

Food brings People Together! Whether you cookout or cook-off your initial campaign meeting needs to grab your employees attention and encourage them to attend.

Host a Cook-Off Fundraiser!

Ask your co-workers to bring in their favorite crockpot recipe. For a donation, employees can fill their plates and vote for their favorite dish. Bragging rights all around for the winning recipe.

A Penny Saved is a Penny Raised

Host a coin challenge - vote for your department with pennies, and subtract from others by adding dimes, nickels, and quarters!

Make it a fundraiser – with Office Olympics!

Set up games like paper clip jump rope, office chair races or trashcan basketball. Allow teams to “buy” head starts and other advantages, all benefitting your campaign. Incentives reward those who participate in the campaign.

Make a Match

One of the most successful ways to grow your campaign is to offer a corporate match for employee giving. Sharing in the investment means sharing in the impact!

OR

Get the team on the field

with a company kickball or pickleball tournament! Have a team entry fee, offer food and beverages to purchase at the game for athletes and friends.

INCENTIVE IDEAS

Consider incentives for employees who:

FREQUENTLY ASKED QUESTIONS

What happens to my donation?

Your donation will be multiplied with other contributions and the total will be distributed across vetted agencies and collaborative initiatives to address critical community needs.

UWJWC is a 501(c)3 nonprofit organization and all donations are tax deductible. Community volunteers provide oversight of the investment of campaign funds, focused on meeting community needs. The United Way Community Impact Council reviews each funding request and makes recommendations for funding to UWJWC's Board of Directors.

Is it possible to designate my gift?

YES! Pledge forms give you the option to designate your gift to a specific cause which you are passionate about or to designate to a local partner agency, a United Way serving another community, or to any other 501(c)(3) non-profit organization.

Each designation must be a minimum of \$50. Unless otherwise designated, donations will be distributed as grants to our 28 partner agencies and go to fund United Way programs and initiatives. United Way provides oversight of the donation to confirm the organization is in compliance and has received a 501(c)(3) nonprofit status determination from the IRS. A 15.5% admin fee is taken to process each designated gift.

Why should I give to the United Way over giving directly to an agency?

Giving to United Way means your **gift goes further and does more**. United Way takes a broader, more strategic approach by identifying the most pressing needs across our entire community—then bring together partners, resources, and solutions to address root causes, not just symptoms.

United Way is the only nonprofit in our area that assesses community needs, invests in high-impact programs, and holds partners accountable for results. Your gift supports a coordinated network of services that no single agency can provide alone.

A gift to United Way is a gift to **everyone** in our community. It's how you can help the most people and make the greatest difference.
