

MEET THE NEED: SNAP EMERGENCY

JOHNSON COUNTY
FOOD ACCESS NETWORK

Starting Nov. 1st, SNAP benefits for thousands of our neighbors will stop. In response, **United Way** has activated its Johnson County **Community Organizations Active in Disaster (COAD)** network to partner with the **Johnson County Food Access Network** for a coordinated community response to ensure continued access to food and essential resources.

Meet the Need: SNAP Emergency exists to:

- Fund local food programs
- Promoting food drive and donations
- Support volunteers at food pantries and meal sites
