

# STORIES

THE 2014 ANNUAL REPORT OF THE UNITED WAY OF JOHNSON AND WASHINGTON COUNTIES

## My story...

United Way has greatly impacted my life and I hope the lives of others. I had the privilege this year of chairing the UWJWC's Campaign for the Common Good. This is the annual drive to raise millions of dollars for the local non-profit agencies with which United Way partners; its funding is essential to the survival of these organizations. This campaign has been a personal journey during which I have learned how to unite a community for the good of all, been inspired by stories of others, and experienced a community responding with overwhelming generosity, care and commitment.

## Our story...

It is reality. There are stories in our community of families struggling to afford a home, of devoted sons and daughters who simply don't have the skills to manage the special needs of their aging parents, of kids who can't read up to their grade level, of people who can't pay for their health care, and of people who are hungry.

## Changing stories...

We have an opportunity to rewrite these stories of misfortune. That can happen only if those of us who have time, treasure or talent will commit to sharing and giving as we are able. I have listened to thousands of stories in my life and I can promise you this is true. I've seen it happen. I am seeing it happen in our community. These tragic stories don't have to be repeated. We can rewrite them with happy endings. United Way is the vehicle to drive this change.

## New stories...

United Way has added to my life, my story. Volunteering for this organization has helped me see the need in our community and allowed me to grow my faith and belief in others, as well as give back to a community I hold close to my heart. I have met and worked alongside tremendously dynamic, devoted and dedicated volunteers and I have experienced what it means to do something for others. We all have a life-changing opportunity to get involved and write new stories. Thank you for supporting United Way.

*Mary Westbrook*

Serving as Interim President & CEO has been a positive learning experience. It has been interesting and fun. I know more about and place greater value on the work of our 31 partner agencies; I'm in awe of the quantity and quality of volunteer service delivered; I feel secure knowing about our disaster preparedness; and I'm grateful for the businesses and people in our communities who contribute money and so much more.

In just this year, we received 192 new computers from an anonymous donor allowing us, our partner agencies, and many other nonprofit organizations in Johnson and Washington Counties to upgrade technology and we received "new to us" desks and office chairs from West Bank when they moved. Annually we receive in-kind design services from Benson & Hepker Design, printing from Tru Art and RR Donnelley, rent consideration from Ambrose Properties, legal services from Pugh Hagan Prahm PLC, and catering and gift cards from Fresh Food Concepts (Bread Garden, Joseph's, Mondo's Draft House). We receive help when we ask for it. Like storage space at Garage Mahaul and Quality Care, use of a room at Hills Bank for training, a Board meeting room from the University, the cafeteria at UICCU for our Celebration. And the list could go on.

What I didn't know before this year is what sound investments these contributions are and I didn't really understand how good a steward United Way is of our investments. I didn't know the impact of the initiatives and volunteer services United Way funds. I didn't know how important the money United Way allocates to partner agencies is to how those agencies function. Here is what I've learned:

**Stewardship:** According to Charity Navigator, the best charities spend no more than 17.5% on administration and fund raising. In our last reported fiscal year, we spent only 15.7%.

**Impact:** Healthy Kids started at United Way. It now has over a \$1 million endowment. Last year 232 kids received medical, dental, mental health, or vision care they couldn't have gotten without the Healthy Kids initiative. This year we worked with MidWestOne Bank and piloted the Money \$mart program. Thirty of the 40 people who started the program graduated and many are now banking for the first time. As part of our Out-of-School Time initiative, this year we started to build the Summership endowment with the Community Foundation of Johnson County. It will send 84 kids who otherwise couldn't have gone, to an academic, sports, art or other camp every year forever!

The Volunteer Center United Way runs resulted in more than 80,000 hours of volunteer service across Johnson and Washington Counties.

United Way is an organization that runs on volunteers. Our Board of Directors, our Campaign Chair (Eadie Fawcett Weaver), our 20 member Campaign Cabinet, our 12 member Community Impact Council who evaluate all the agency applications and visit all 31 partner agencies – they are all volunteers.

**Allocation:** And this may be the most important thing I've learned. The money we raise that is designated to our partner agencies, plus the money we allocate to them is all money they don't have to raise themselves. So they can save that fundraising time and cost. They can do what they do best: provide direct service to the community. Plus we pay our allocations out in 12 monthly installments in support of their overall mission and operation. So much of the grant money they can apply for is tied to specific programs. It is easier to find funding for the exciting, new thing than it is to find funding to support the routine operations. United Way funding makes a huge difference to an agency.

It's been a good year. We made our Campaign for the Common Good goal. We started something new and important – Summerships. We made new friends and reconnected with some old ones. We worked with our partner agencies to use standard improvement progress measures for income, education and health. We got better and more efficient at what we do.

I've enjoyed this year and look forward to, as a volunteer, helping to introduce you to the new President and CEO when she arrives June 1. The staff and volunteers are ready to use what we all accomplished this year as a springboard to another great year!

Thank you for your support!

Mary Westbrook  
Interim President and CEO

# UWJWC Advocacy Goals 2014

## EDUCATION

### Grade-Level Reading

United Way of Johnson & Washington Counties and United Ways of Iowa advocate for funding to support national service members delivering research-based literacy programs that target struggling readers and to support summer literacy programs for all students in need.

### Preschool

We will support policies that make preschool accessible to all four year olds, and advocate for models that include wraparound services including childcare, meals and transportation making full-time preschool easier for families to utilize.

## INCOME

### Childcare Solutions

United Way of Johnson & Washington Counties and United Ways of Iowa continue to advocate for solutions to the childcare “cliff effect” which completely removes financial assistance for childcare as a result of very modest increases in hourly pay, leaving families worse off than before the pay increase.

### Transportation

We will support policies that consider solutions to transportation issues experienced by individuals and communities that hinder the ability to sustain employment or access educational opportunities and adequate healthcare.

## HEALTH

### Adverse Childhood Experiences (ACES)/ Children's Mental Health

Research has shown that adverse childhood experiences in a child's first years can have a profound impact on future learning, behavior and overall health. United Way of Johnson & Washington Counties and United Ways of Iowa will continue to raise awareness of the critical importance of investments in children's earliest years to give healthy foundations for future development.

### Access to Healthy Food

We will support policies that increase Iowans' access to healthy, nutritious foods.

# Building a Community of Volunteers

In the last year, United Way's Volunteer Center mobilized 7,207 volunteers for a total of 80,012 hours, which is the equivalent to \$1,804,271 in service to the community.

Mobilized for 14 Days, 16 volunteers provided 120 hours of service, value \$2,706

## Workplace Volunteer Council

The Workplace Volunteer Council (WVC) is a coalition of local businesses that promote volunteerism among their employees to benefit our community and address local needs

- Members: Pearson, MidWestOne Bank, Riverside Casino & Golf Resort, Adamantine Spine Moving Company, Mercer, Johnson County, University of Iowa Hospitals & Clinics and Iowa City Community School District
- Hosted a training with national expert on Employee Volunteer Programs, Bea Boccalandro

What do community –non-profits, a financial institution, regional tourism, collegiate athletics and public art have in common? A little thing called Summerships.

The Last summer's Herky on Parade was sponsored by the University of Iowa Community Credit Union, produced by the Iowa City/Coralville Area Convention and Visitors Bureau and supported by UI athletics. Together, these organizations created an event that entertained thousands of people, celebrated a community icon, displayed creative spirit, generated community pride ... and generated a lot of money.

These partners then decided the best use of the proceeds was to reinvest them in the community via United Way of Johnson and Washington Counties. This became a \$110,550 investment in United Way and the Summerships program which gained momentum during the 2014 United Way Campaign for the Common Good.

Summerships will, annually, provide 84 (one for every Herky) camp scholarships for up to \$250 each for children on free and reduced lunch in Johnson or Washington counties who otherwise could not afford to go to a camp or program for academics, sports, the arts, debate, etc.

UWJWC is building an endowment at the Community Foundation of Johnson County of \$420,000 that will fund this project. The United Way will raise \$210,000 including the Herky on Parade money and the Community Foundation of Johnson County will match it. All contributions to the endowment fund — whether made through United Way or the Foundation — may be eligible for the 25 percent Iowa Tax Credit. Each year 5 percent of the endowment will be drawn to pay for that year's Summerships.

Contributions large and small continue to build the endowment; a contribution of \$5,000 will produce a \$250 Summership every year forever. Contributions of \$5,000 or more include Summership naming rights and if desired, specifying the kind of camp or program for which the Summership can be used.

To date there have been 141 donors to the Summership Endowment including five individual \$5,000 contributions. In November 2014 the Washington County Riverboat Foundation funded a grant that added an additional \$4,200 to the endowment.

In order to kick the Summerships program off this year instead of waiting until the endowment has been fully funded, UWJWC combined Community Priority Grant dollars with an \$8400 grant from the Community Foundation of Johnson County and a \$4200 grant from the Washington County Riverboat Foundation. Kids are going to camp this summer. Summerships have begun.

# 2014 Power of the Purse

The UWJWC 2014 Women's Leadership Circle "Power of the Purse" purse auction and wine tasting was held on October 30, 2014 and sponsored by the University of Iowa Community Credit Union. This event promoted women's philanthropy and celebrated the positive impact that women have on the quality of life in our community. More than 100 women attended, enjoyed wine and hors d'oeuvres provided by Fresh Food Concepts, and participated in a silent and live auction of purses and purse-themed items. Many area individuals and businesses generously donated items for the event, which was organized by a 17-member volunteer committee. More than \$17,000 was raised for Summerships, an initiative that will annually send up to 84 eligible students to a summer camp or program of their choosing.

The recognition given to those listed in this annual report is one small way to thank our volunteers and contributors. Every effort has been made to make this report accurate. If your name has been misspelled, omitted, or misplaced, we sincerely apologize. Please contact the United Way of Johnson & Washington Counties office with corrections or any questions you might have. Thank you for your continued support.

## THE UNITED WAY OF JOHNSON & WASHINGTON COUNTIES & COMMUNITY FOUNDATION OF JOHNSON COUNTY

Many people make gifts that benefit the longer-term needs of United Way of Johnson & Washington Counties by donating to a United Way affiliated endowment. Donations made to the United Way and designated to one of our Community Foundation of Johnson County endowment funds, may be eligible for the 25% Endow Iowa Tax Credit. There are four funds held at the Community Foundation of Johnson County with which the United Way is affiliated:

### UNITED WAY ENDOWMENT FUND

To build the sustainable future for United Way of Johnson & Washington Counties.

### UNITED WAY ENTREPRENEURIAL FUND

Established by Casey Cook to build the pool of United Way grants that support innovative approaches to solving community priorities and emerging issues.

### UNITED WAY HEALTHY KIDS ENDOWMENT FUND

To generate sustainable funding for school-based health clinics. Mercy Iowa City established the United Way Healthy Kids Endowment Fund with a 5- year \$500,000 commitment, and a challenge to the community to meet their annual contribution of \$100,000. ACT, Inc. also made a \$25,000 annual commitment for 5 years for a total of \$125,000. United Way has provided annual operating support for the Healthy Kids clinics since 2006 and works with the Healthy Kids partners to raise funds for the endowment fund. Under the leadership of Pete Wallace and Susie Poulton, the 5th Annual "Get Moving for Healthy Kids" walk/run raised over \$61,750 for the endowment in 2014.

### UNITED WAY SUMMERSHIP ENDOWMENT FUND

Summerships is a joint project of the United Way of Johnson & Washington Counties and the Community Foundation of Johnson County to build an endowment to help more kids in our community have access to high quality, enriching out of school programs. Started with proceeds from the sale of the 2014 Herkys on Parade, and supported by the 2014 Power of the Purse event, United Way will raise \$210,000 and the Community Foundation will match it. The goal of Summerships is to annually provide camp scholarships for up to \$250 each for 84 kids (1 for each Herky) on free and reduced lunch who otherwise could not afford to go to camp.

Donations to each of these funds help United Way plan for the future. Thank you to all donors who contributed to United Way endowments! The following is a list of donors who made contributions of \$500 or more to a United Way of Johnson & Washington Counties endowment fund during the 2014 campaign, as of December 31, 2014.

## FISCAL RESPONSIBILITY

United Way of Johnson & Washington Counties (UWJWC) maintains the highest level of accountability to ensure that donations are handled in accordance with all regulatory requirements. Every 3-5 years, the Internal Operations Committee of the Board of Directors issues a request for proposal for our annual audit. TD&T CPAs and Advisors, P.C., a certified public accounting firm, will perform the UWJWC's annual certified audit and prepare UWJWC's IRS Form 990, the annual tax return for non-profit organizations.

We are committed to transparency by providing our annual report, audit, campaign dollars raised, and dollars invested in local programs to the news media, the public, and most importantly, our donors.

Based on our fiscal responsibility and transparency of financial operations, UWJWC has received the highest rating from Charity Navigator, the nation's largest charity evaluator. You can find additional financial documents on [www.unitedwayjwc.org](http://www.unitedwayjwc.org), including our IRS 990 and our annual audit.
