YOUR PURPOSE, OUR IMPACT

RESEARCH & ADVOCACY

We provide important local data, conduct community needs assessments, and amplify individual voices to address systemic issues in our community. We provide a platform for people to take action and make a change!

VOLUNTEER HUB

We connect our community with meaningful volunteer opportunities and events that matter to you so you can make a fulfilling impact on education, income, and health right here at home.

DISASTER RECOVERY

United Way continues to support our community long after disaster is over. We work with local partners on long-term recovery efforts and respond quickly when disaster strikes to help ensure that people and communities can rebuild and thrive.

CONVENE & COLLABORATE

We are uniquely positioned to convene, connect, and collaborate with partners for a brighter future in our community. We are a change catalyst to establish and lead collective impact funding partners and advancing well-being in Johnson & Washington counties.
