RESEARCH & ADVOCACY

We conduct community needs assessments and provide current, important local data to amplify individual voices and address the unique challenges in our towns. We give you a platform to take action and make change!

VOLUNTEER HUB

We connect you with meaningful volunteer opportunities and events that make a difference! We understand the importance of making an impact on your community, right here at home.

DISASTER RESPONSE

United Way continues to support our community long after a disaster is over. We work with local partners on long-term recovery efforts and respond quickly when disaster strikes to help ensure people and communities can rebuild and thrive.

CONVENE & COLLABORATE

We unite people, organizations, and partners together to form strong coalitions, making every dollar, hour, and idea go further. United Way leads these collective efforts to create sustainable solutions and a stronger future for Johnson & Washington Counties
